It has its own advantages:

- Stay up to date with important updates, like security alerts and new available releases.
- Activate mobile push notifications for the Moodle App.
- Increase the visibility of your site by featuring it on the list of registered Moodle sites in your country (optional).

More information

[My courses](#) [Site administration](#)

[Active Users](#) [Storage](#) [Edit mode](#)

The following information will be sent to Moodle each time your site registration is updated (by default weekly, when the 'Site registration' scheduled task is run). The information contributes to overall statistics only and will not be made public on any site listing. In addition, your Moodle release version is recorded by the weekly automated site link check.

- Moodle release (5.0)
- Number of courses (1)
- Number of users (2)
- Number of recently active users (0)
- Number of role assignments (1)
- Number of posts (0)
- Number of questions (6)
- Number of resources (0)
- Number of badges (0)
- Number of issued badges (0)
- Average number of participants (0.00)
- Average number of recently active participants (0.00)
- Average number of course modules (0.00)
- Mobile services enabled (Yes)
- Mobile notifications enabled (Yes)
- Number of users with registered mobile devices (0)
- Number of active users with registered mobile devices which are receiving notifications (0)
- Number of enabled prediction models (4)
- Number of generated predictions (0)
- Number of actions taken on generated predictions (0)
- Number of actions marking a prediction as not useful (0)
- Database type (pgsql)
- Number of courses without an end date set (1)
- Site theme (boost)
- Primary authentication type (moodlecloud)
- Plugin usage data collected from: [Plugins overview](#), [Manage activities](#), and [Manage blocks](#)
- AI usage data (none)

[Register your site](#)

Hi, Mohammad Anas! 🙌

Your free trial ends in **27 days**. You can upgrade to a paid plan in the MoodleCloud customer portal.

Upgrade

Welcome to your new MoodleCloud site!

Here's a few ideas to help get you started:

- Update your site name in the Home [Settings](#) tab.
- Learn the basics about setting up your site in our [Quickstart Guide](#).
- Read our most popular [Help centre](#) articles.

Happy Moodling!

P.S. Only you and other site administrators can see this information. We've also emailed it to you, so you'll always have it handy.
